## Instructions

## COVID-19

In light of COVID-19, the U.S. Embassy in Kuala Lumpur is utilizing social distancing protocols. Please arrive only at your exact appointment time - do not arrive early. Practice social distancing and do not stand or sit closely to other applicants who are not members of your immediate family or traveling party. Follow the directions of the U.S. Embassy greeters and guards.

If you are experiencing flu-like symptoms or believe you may have been exposed to the novel coronavirus, postpone your appointment by at least 14 days.

In accordance with the Government of Malaysia's Ministry of Health and the U.S. Centers for Disease Control recommendations, all visitors to the U.S. Embassy must wear a cloth face covering or mask and observe social distancing protocols as established by the Embassy staff. The U.S. Embassy will not distribute masks to visitors; please make arrangements to bring your own.

The time on the appointment letter is the time to arrive at the Embassy gate. It is not the time for your interview with the consular officer. If you arrive at the Embassy with an electronic device other than a cell phone and a key fob, you will be TURNED AWAY. The Embassy CANNOT store bags, backpacks, or tablet/computer equipment. Please tell the greeter the total number of visa applicants in your party, including any minor children, even if they do not need to appear for an interview.
